Re: *Lanny K. McDonald v. Brookfield Asset Management Inc. and others*
Appeal No. 1501-0131AC

The panel has reviewed the recent correspondence from the parties, and confirms that the form of the judgments attached as tab 7 to the Norton Rose Fulbright letter of January 13, 2017 is acceptable, and they should be filed by the Registry.

The form of the judgments can be prepared from the Memoranda of Judgment, without reference to the transcripts. The refusal of appellant's counsel to approve the form of the judgments was unreasonable, and the respondents are awarded \$1,000 in costs with respect to settling the form of the judgments.

Thank You,

for Deputy Registrar
